Re: CERCLA Information Request; Bunker Hill Superfund Site

Dear Ms. Martyn:

This letter is in response to our telephone conversation this morning regarding my request for an extension to the above-mentioned request. Due to the fact that this information request just reached us on November 28, I am requesting a two-week extension to allow us time to gather the information needed to respond to this request. You indicated that you could allow me an extension to December 22, 1989.

I appreciate your cooperation in this matter.

Very truly yours,

Jeanne M. Larson
Legal Assistant
